Additional info:

No new information regarding the 1st planned ETAP-I 22-1 TacILM. The TacILM modules are continued to be given.

So far accepted participation of 3rd party nations to this PoW, should their application not stay in conflict with applications of the ETAP/ETAC signatory nations (Participants) are: DNK, GBR, LTU and POL.

For any other not yet listed above, but interested 3rd party nation a query among the ETAP/ETAC TA Participants (Steering Board (SB) representatives) must be conducted, which must result in their unanimous approval.
